SONIC FANS ARE EVERY-WHERE!

IF YOU DON'T BELIEVE US, TAKE A LOOK AT OUR MAILBAG (WELL, AT LEAST PART OF IT):

Dear Sonic,

I think you are the best looking, coolest comic book superhero in the world!

My favorite issue is #3, because it is the first appearance of Bunnie Rabbot.

I would really like to see more of Bunnie and the other Freedom Fighters.

Jeff Grisso
Portland, OR

Dear Sonic,

I enjoyed issue #6 of your comic. My favorite part was "Sonic's Christmas Carol." It was based on my favorite movie, "Scrooged." How I like it when Robotnik said he'd be better off under the covers. And I never knew that Boomer's real name was Rotor! I also liked it when you named Robotnik's bomb 4th class and wrote, "Return to Sender." What issue # will you defeat Robotnik in?

Your #1 fan,
J.T. Foster
Dallas, TX

Glad you liked "Sonic's Christmas Carol," J.T. In the interest of English teachers everywhere, however, we feel it is our duty to let you know that both "Sonic's Christmas Carol" and "Scrooged" are based on Charles Dickens' classic story, "A Christmas Carol." Dickens is considered one of the finest authors of all time, and it's definitely worth your while to check out [redacted]!

Dear Sonic,

Which game for SEGA is your best? I have every game of yours, even the newest ones. I think the new ones are the best. I try to see your shows. I like your show. I've got shoes with you on them. I like it when you show those robots not to mess with you.

Your friend,
Alan Rooney
Citrus Heights, CA

Dear Sonic,

I love your comics and I collect them all. I just got #7. I think Tails is cool. Is there going to be a Sonic The Hedgehog 4? I watch your cartoon show every day. You and Tails are the best!

Bryan Novak
Saskatoon, Canada

Let's see--SONIC 3 sold out nationwide in a matter of days. I guess that's a good enough reason to release SONIC 4!!!!!!

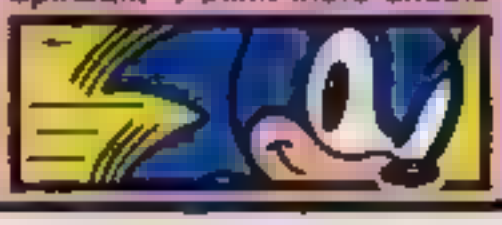
Dear Sonic and Tails,

I would like to see more Spinball. I think there should be another Freedom Fighter named Laser. I would like it if Antoine had his own mini-series (just kidding).

I would like it if Sonic could travel through time! Is Snively going to still work for Robotnik?

When are they going to come out with Sonic toys? Is Uncle Chuck still a robot? That's all the questions that I have!

Yours truly,
Kristopher Magers
Elmer, MO



WHOA! Can you read minds or <u>what</u>?! You asked for a time-travel story and, lo and behold, there's one in the very next issue!!! Check your local toy store-- Sonic toys are available now, with more to come. As for Uncle Chuck, alas, he still needs that cup of oil in the morning to get his gears going!

Dear Sonic friends and Sonic,

Your comic books are way past cool! My name is Becky. When I went to the YMCA, me and my friends sat down and read your comic books!

Becky Wilkins
Keene, NH

Dear Sonic-Grams,

I have issue #5 of your great new comic and it's a blast! My favorite story is "Meet Me at the Corner of Hedgehog and Vine." My favorite part is when that punk Robotnik gets humiliated when his robot plants burn up from rain. I don't have a SEGA CD yet, but I might get one for Christmas. But if I don't get one I will get a SEGA Game Gear. I'll be so happy I'll get all the Sonic The Hedgehog comics.

Your fan,
Joey Rozas
Houston, TX

Dear Sonic,
Sonic, you are my second favorite Freedom Fighter. Tails is my first favorite. I really enjoy your comic. My favorite story is the Sonic Spinball issue. Could you have another Spinball story? Please? I now will get back to Tails. I love the way he looks. He is just so cute. My favorite Badnik is Crabmeat. I have a SEGA Genesis. I have three Sonic games. They are (in order from favorite to not so great) Sonic Spinball, Sonic The Hedgehog 2 and Sonic The Hedgehog. I want a SEGA CD. The first game that I would like to get would be Sonic CD. I wish SEGA would make a game with Tails as the main character. I have a Nintendo. I hate Nintendo. On a scale of one to ten, Mario would rate a big 0. Sonic would rate a massive 10, being the best. I like issue 4 of the Sonic comic. I think Super Sonic is awesome. Could there be a Super Tails? I wish Tails could get his own series. Could he? Please? I have something else to tell you, Sonic. I have viewed your cartoons. The Saturday morning episodes are marvelously awesome. I love Robotnik's voice. Another issue I enjoyed is the Super Sonic issue. I really enjoy the Tails story at the end. I can never wait for your comic to come out, Sonic. I can't wait to get a series with Tails, if there is going to be one. Well, I have to go. Tell Tails I think he is so cute and awesome. Also, tell the Freedom Fighters hi for me. OK. Always love you and adore you, Sonic.

Mike Zin
Springfield, IL

WHOA! WHAT A WORK OUT! After that letter, I gotta' take a nap!

Dear Sonic,
What is your favorite sport? Do you have a hobby? How old are you? Please make Robotnik's head fall off. Please tell him he has a big butt. Do you like to rock & roll? I have about 3 dollars. How much money do you have?

Yours truly,
Matt Etsenson
Fargo, ND

Dear Sonic,
I disagree with Neil Hufnagel's letter in issue #7. I am your biggest fan! I own every Sonic game for SEGA Genesis, and every issue of your comic book! My three favorite stories are: "The Spin Doctor" in issue #7, "Triple Trouble" in issue #2 and "Olympic Trials and Errors" in issue #5! Why not make one issue with a silver foil cover? So, how about it?

Your biggest, biggest fan,
David Germano
East Greenwich, RI

Look no further than "Foiled Again" from SONIC THE HEDGEHOG #2 (regular series) to see how Sonic feels about foil gimmicks! In the meantime, hope you enjoyed the fluorescent orange cover to issue #8!

Yo Sonic,
I want to collect all your super comics that there are. I am going to get Game Gear with Sonic 2. I hope you get your Uncle Chuck and Muttski back.

Your #1 fan,
Brent Wilmer
Ontario, Canada

Dear Sonic,
Of all your comic books I have #3, #5, #7 and #8. How fast can you go? You are my favorite cartoon character.

Your fan,
Flynn Lewis
Batesville, VA

Dear Sonic-Grams,
I really like your comic books. I was wondering why you don't put the big robot boss from the end of Sonic 2 in one of your comics. Please sign me up to be a Freedom Fighter. Why don't you make Sonic T-shirts?

I would like to see more stories about Sonic Spinball in future issues. Keep on spinning!

Andrew Price
Dhahran, Saudi Arabia

Dear Sonic-Grams,
I have three questions:
1.) Does Sonic ever take his shoes off?
2.) Since Robotnik is a robot, who made him?
3.) Has Pseudo-Sonic ever blown a fuse?
I hope you publish my letter because none of my letters have ever been published before. Please publish it, please?!

Sincerely,
[redacted] Guy
Mt. Pleasant, SC

1.) Nobody has ever seen Sonic take his shoes off, but who knows-- that doesn't mean he hasn't!
2.) Robotnik isn't a robot, he just has an obsession with them.
3.) Pseudo-Sonic has blown a fuse. Remember the last panel of PSUEDO-SONIC in Sonic #9? Pseudo-Sonic wound up in the trash!
